# ABOUT THE COMPANY

HEMAMCO COMPANY LTD. In 2006 we adventurously ventured into this field of construction and thereby, Ahmed Saleh Establishment was formed. With determination, skills, dedication and proper working ethics, the Est. has grown up with dynamic highly skills, motivated and dedicated staffs. The resources at par with any reputed construction companies in the kingdom.

Hemamco Company Ltd. for Construction is a Civil, Mechanical, Fabrication & Construction Company, active in the field of all types of Earthworks, Site Development Infrastructures, Construction of Roads, Concrete Sidewalks, Fencing, Asphaltting, Waterlines, Drainage and Sewer line System, Landscaping, Street lighting poles, Building Construction as well as provides quality services in the field of mechanical engineering, pipeline construction & maintenance services, which includes mechanical installation, shutdown, E & I, insulation, on shore pipeline works, pipeline repair & reconditioning, industrial piping fabrication & erection, industrial tanks repair & reconditioning, painting & coating, steel structure fabrication & erection and all kinds of industrial services to the clients in the Kingdom.

## SERVICES

- **Civil Earth Works Site Preparation.**
- **Landscaping Works.**
- **Steel Structural Erection.**
- **Buildings & Structures Construction.**
- **Piping & Pipeline Installation.**
- **Mechanical Systems Installation.**
- **Tanks & Vessels Erection.**
- **Fire Protection System.**
- **Pumping System.**
- **Instrumentation Control Auto System.**
- **HVAC & Chiller System.**
- **Fire Alarm System.**
- **Pre-Commissioning & Commissioning.**
- **Building Services MEP Works.**

## SERVICES

- **Spare Parts & Tools**
- **Civil Work Services.**
- **Mechanical Services.**
- **Electrical Works.**
- **Instrumentation Works.**
- **Scaffolding Services.**
- **Plant & Facility Maintenance Services.**
- **Mechanical & Piping Plant Shutdown works.**
- **X-ray Welding Work.**
- **Tower erection Work.**
- **Lazer cutting Works.**
- **Equipment Rental Services.**
- **Manpower Rental Services.**

# OUR SERVICES

## CIVIL EARTH WORKS SITE PREPARATION

Civil Engineering and Earthworks with special expertise in the construction of Site Development, Road, Asphaltting and Building substations. Our team, oriented philosophy, value engineering, solid QA/QC and overall professionalism are recognized as a benchmark of industry standard.

# OUR SERVICES

## STEEL STRUCTURAL ERECTION

As one of the most important materials in construction, steel must be handled with care and expert precision. At Hemamco, we have a team of experienced professionals who are dedicated to ensuring that your steel structural erection project is completed flawlessly.

We take pride in our work and pay close attention to detail, which is why we are trusted by some of the biggest names in the construction industry. When you partner with us, you can rest assured that your project will be completed on time and within budget.

## OUR SERVICES

### PIPINGS & PIPELINE INSTALLATION

At Hemamco Company Ltd. we specialize in professional piping and pipeline installation services. Our experienced team uses advanced techniques and equipment to ensure precise and efficient installation for industrial, commercial, and residential projects. Committed to quality and safety, we deliver reliable and durable piping solutions that meet your specifications. Trust us for expert pipeline installation and exceptional service.

### BUILDINGS & STRUCTURES CONSTRUCTION

At Hemamco Company Ltd. we provide top-tier buildings and structures construction services for residential, commercial, and industrial projects. Our skilled team manages every phase, from design and planning to execution, ensuring quality and compliance with safety standards. Committed to excellence and efficiency, we deliver durable and aesthetically pleasing structures that meet your exact specifications. Trust us for your construction needs.

### TANKS & VESSELS ERECTION

At Hemamco Company Ltd. we specialize in professional tank and vessel erection services for various industrial applications. Our experienced team employs advanced techniques and equipment to ensure precise and efficient erection of tanks and vessels. Committed to quality and safety, we deliver reliable and durable solutions that meet industry standards. Trust us for expert tank and vessel erection services.

## OUR SERVICES

### FIRE PROTECTION SYSTEM

At Hemamco Company Ltd. we offer comprehensive fire protection system services to safeguard your property and personnel. Our expert team designs, installs, and maintains fire detection, suppression, and alarm systems tailored to your specific needs. Committed to safety and compliance, we provide reliable solutions that ensure prompt response and effective protection against fire hazards. Trust us for your fire protection needs.

### INSTRUMENTATION CONTROL AUTO SYSTEM

At Hemamco Company Ltd. we specialize in providing advanced instrumentation control auto system services for industrial applications. Our skilled team designs, installs, and maintains instrumentation and control systems to optimize efficiency and performance. Committed to quality and reliability, we deliver customized solutions that meet your specific requirements. Trust us for expert instrumentation control auto system services tailored to your needs.

### HVAC & CHILLER SYSTEM

At Hemamco Company Ltd. we offer comprehensive HVAC and chiller system services for residential, commercial, and industrial properties. Our expert team specializes in designing, installing, and maintaining heating, ventilation, air conditioning (HVAC), and chiller systems. Committed to quality and efficiency, we provide reliable solutions that ensure optimal indoor comfort and energy efficiency. Trust us for your HVAC and chiller system needs.

## OUR SERVICES

### BUILDING SERVICES MEP WORKS

At Hemamco Company Ltd. we excel in delivering top-notch MEP (Mechanical, Electrical, Plumbing) solutions for residential, commercial, and industrial buildings. From design to installation and maintenance, our skilled team ensures seamless integration and optimal performance of MEP systems. With a focus on quality and efficiency, we provide tailored solutions that meet the highest standards. Trust us for your building services MEP needs.

### PRE-COMMISSIONING & COMMISSIONING

At Hemamco Company Ltd. we provide professional pre-commissioning and commissioning services for various industrial projects. Our experienced team ensures that systems and equipment are thoroughly tested and prepared for operation before commissioning. With meticulous attention to detail and adherence to industry standards, we guarantee smooth and efficient commissioning processes, ensuring optimal performance and safety. Trust us for expert pre-commissioning and commissioning services.

### CIVIL WORK SERVICES

At Hemamco Company Ltd. we specialize in providing high-quality civil works services for various construction projects. Our experienced team handles all aspects of civil construction, including earthwork, foundation construction, road and pavement construction, and structural work. Committed to excellence and efficiency, we deliver reliable solutions that meet the unique needs of each project. Trust us for expert civil works services.

## OUR SERVICES

### ELECTRICAL WORKS

At Hemamco Company Ltd. we provide comprehensive electrical works services for residential, commercial, and industrial projects. Our expert team handles all aspects of electrical installations, repairs, and maintenance, including wiring, lighting, panel upgrades, and more. Committed to safety and efficiency, we deliver reliable solutions that meet the highest standards. Trust us for expert electrical works tailored to your specific requirements.

### MECHANICAL SERVICES

At Hemamco Company Ltd. we offer professional mechanical works services for industrial, commercial, and residential projects. Our skilled team specializes in mechanical installations, repairs, and maintenance, including HVAC systems, piping, equipment installations, and more. Committed to quality and efficiency, we deliver reliable solutions that ensure optimal performance and functionality. Trust us for expert mechanical works tailored to your needs.

### INSTRUMENTATION WORKS

At Hemamco Company Ltd. we specialize in professional instrumentation works for industrial applications. Our experienced team offers design, installation, calibration, and maintenance services for instrumentation systems, ensuring accurate and reliable measurement and control. Committed to quality and precision, we deliver customized solutions that meet the unique needs of each project. Trust us for expert instrumentation works tailored to your requirements.

## OUR SERVICES

### TRENCH EXCAVATION WORK

At Hemamco Company Ltd. we offer expert trench excavation services for utilities, drainage, and foundation projects. Our skilled team uses advanced equipment to ensure precise, safe, and efficient trenching. We handle all aspects, from planning and permitting to excavation and backfilling, delivering reliable solutions that meet your project specifications and timelines.

### CIVIL CONCRETE WORKS

At Hemamco Company Ltd. we excel in providing top-quality civil concrete works for construction projects of all sizes. Our experienced team specializes in concrete foundation construction, pavement installation, structural concrete work, and more. Committed to excellence and durability, we deliver reliable solutions that meet the highest standards. Trust us for expert civil concrete works tailored to your project needs.

### INDUSTRIAL SUPPORT SERVICES

At Hemamco Company Ltd. we offer comprehensive industrial support services to optimize your operations and enhance productivity. Our experienced team provides a wide range of services, including equipment maintenance, facility management, logistics support, and more. Committed to excellence and efficiency, we deliver reliable solutions that meet the unique needs of your industrial operations. Trust us for expert industrial support tailored to your requirements.

## OUR SERVICES

### Site Preparation Work

At Hemamco Company Ltd. we offer expert site preparation services, including land clearing, grading, excavation, soil stabilization, and utility installation. Our experienced team uses advanced equipment to ensure precise and efficient results. Committed to safety and environmental sustainability, we provide quality workmanship that sets the foundation for successful construction projects. Trust us for reliable and timely site preparation.

### Asphalt Compaction Work

At Hemamco Company Ltd. we provide expert asphalt compaction services to ensure durable and smooth surfaces for roads, parking lots, and driveways. Utilizing state-of-the-art equipment and techniques, our skilled team delivers precise compaction for optimal performance and longevity. Committed to quality and safety, we guarantee reliable and efficient asphalt compaction for all your paving projects.

### Material Transport Work

At Hemamco Company Ltd. we offer reliable material transport services, ensuring timely and efficient delivery of construction materials to your site. Our fleet of modern trucks and experienced drivers handle all types of materials with utmost care. Committed to safety and punctuality, we provide seamless transport solutions that support the smooth progress of your construction projects.

## OUR SERVICES

### Grading and Leveling Work

At Hemamco Company Ltd. we specialize in precise grading and leveling services for construction sites. Our experienced team uses advanced equipment to ensure a stable, even foundation for any project. Committed to quality and efficiency, we deliver expertly graded surfaces that meet your specifications, paving the way for successful construction outcomes. Trust us for reliable and professional results.

### Hole Digging Work

At Hemamco Company Ltd. we provide professional hole digging services for various construction and landscaping projects. Using advanced equipment, our skilled team ensures precise and efficient digging for foundations, fence posts, utilities, and more. Committed to quality and safety, we deliver reliable results that meet your project specifications. Trust us for your hole digging needs.

### Site Assessment and Planning Work

At Hemamco Company Ltd. we offer comprehensive site assessment and planning services to ensure successful project execution. Our expert team evaluates site conditions, identifies potential challenges, and develops detailed plans tailored to your project's needs. Committed to quality and efficiency, we provide reliable and professional site assessments and strategic planning for optimal construction outcomes. Trust us for expert guidance and precision.

## OUR SERVICES

### Tower erection Work

At Hemamco Company Ltd. we provide comprehensive tower erection services, ensuring stability and safety for telecommunications, broadcasting, and utility towers. Our expert team handles everything from site preparation and foundation construction to tower assembly and maintenance. We prioritize precision, safety, and efficiency, delivering reliable solutions tailored to your specific project requirements.

### Lazer cutting Works

At Hemamco Company Ltd. we specialize in precision laser cutting services for a variety of materials, including metals, plastics, and wood. Our state-of-the-art equipment ensures high accuracy and clean edges for all your cutting needs. From prototypes to large production runs, we deliver quality and efficiency to meet your exact specifications.

### X-ray Welding Work

At Hemamco Company Ltd. we specialize in X-ray welding services, ensuring the highest quality and precision for critical welds. Our certified technicians utilize advanced X-ray technology to inspect and verify weld integrity, providing detailed analysis and ensuring compliance with industry standards. We deliver reliable, defect-free welding solutions for the most demanding applications.

## OUR SERVICES

### Sewer Pipeline Excavation Work

At Hemamco Company Ltd. we specialize in sewer pipeline excavation, providing precise and efficient services for new installations and repairs. Our experienced team uses advanced equipment to safely excavate trenches, ensuring proper slope and alignment for optimal flow. We handle every step, from planning to backfilling, delivering reliable solutions that meet regulatory standards and project deadlines.

### Sewer Pipe Installation Work

At Hemamco Company Ltd. we provide expert sewer pipe installation services, ensuring reliable and efficient wastewater management. Our skilled team handles everything from site assessment and trench excavation to pipe laying and connection. Utilizing high-quality materials and advanced techniques, we guarantee durable installations that meet regulatory standards and project timelines. Trust us for seamless and compliant sewer pipe solutions.

### Sewer Pipeline Testing & Pre-commissioning Work

At Hemamco Company Ltd. we offer comprehensive sewer pipeline testing and pre-commissioning services. Our team conducts rigorous pressure tests, inspections, and cleaning to ensure system integrity and compliance with industry standards. We verify that all installations are leak-free and operational before commissioning, delivering reliable and efficient sewer pipeline solutions for your project needs.

## MACHINERY SPARE PARTS:

### Automotive Spare Parts:

Engine Components: Pistons, cylinder heads, camshafts, crankshafts.

Filters: Oil, air, fuel, and cabin filters.

Brakes: Brake pads, discs, rotors, brake lines, and calipers.

### Industrial Machinery Parts:

Bearings: Ball bearings, roller bearings, sleeve bearings.

Gears: Spur gears, helical gears, bevel gears, gear shafts.

Belts: Timing belts, V-belts, conveyor belts. Seals: Shaft seals, O-rings, rubber seals.

### Construction Equipment Spare Parts:

Hydraulic Components: Hydraulic pumps, cylinders, valves & hoses.

Excavator Parts: Tracks, sprockets, buckets, pins.

Loaders & Cranes: Transmission parts, differential gears, control valves.

### HVAC & Electrical Spare Parts:

HVAC Components: Compressors, condensers, evaporators, thermostats.

Electrical Parts: Circuit breakers, transformers, relays, capacitors.

## TOOLS & EQUIPMENT'S:

### Hand Tools:

**Wrenches:** Adjustable wrenches, torque wrenches, pipe wrenches. **Pliers:** Needle-nose pliers, locking pliers, slip-joint pliers. **Screwdrivers:** Flathead, Phillips, precision screwdrivers. **Hammers & Chisels:** Claw hammers, sledgehammers, cold chisels, wood chisels. **Socket Sets:** Deep sockets, impact sockets, ratchets.

### Power Tools:

**Drills & Grinders:** Cordless drills, angle grinders, bench grinders. **Saws:** Circular saws, jigsaws, reciprocating saws. **Sanders & Impact Wrenches:** Orbital sanders, belt sanders, impact wrenches. **Heat Guns:** For heat shrink tubing, paint removal, and drying.

### Cutting Tools:

**Blades:** Hacksaw blades, circular saw blades, utility knife blades. **Drill Bits:** Twist drill bits, masonry drill bits, wood drill bits. **Milling Cutters & Grinding Wheels:** Carbide cutters, end mills, grinding discs.

### Welding Equipment:

**Welding Machines:** MIG, TIG, Stick welders for different welding processes. **Electrodes & Welding Torches:** Consumables for various metals. **Welding Cables & Accessories:** Cable holders, grounding clamps, protective covers.

### Lifting & Rigging Equipment:

**Chain Hoists & Wire Ropes:** Manual and electric hoists, lifting slings. **Shackles & Slings:** For securing loads and distributing weight. **Pulleys & Rigging Blocks:** For lifting and rigging heavy loads.

### Safety & PPE Equipment:

**Helmets & Gloves:** Hard hats, cut-resistant gloves, heat-resistant gloves. **Goggles & Respirators:** Eye protection, dust and fume masks. **Protective Suits & Harnesses:** Flame-retardant suits, fall protection harnesses.

# Cybersecurity Compliance certificate

Issuance Date: 05.20.2025

CCC Reference Number: 06-04-052025-N

## Cybersecurity Compliance Certificate

This is to confirm that

### HEMAMCO COMPANY LIMITED

CR: 2050099144

Ababtain Tower, 3rd Floor, 3054 1st Street Al Aqribia, Al-Khobar 34446 Saudi Arabia  
was subject to an assessment by Defense Cyber Security to evaluate its compliance  
with Saudi Aramco Third Party Cybersecurity Standard (SACS-002). Based on the assessment carried out  
between 5/17/2025 and 5/20/2025, HEMAMCO COMPANY LIMITED was found to be compliant with the  
Standard.

For the classification of: General Requirements, Type: CCC  
This certificate is valid for a period of two years from the date of issuance.

#### Disclaimer:

This certificate is provided based on the information provided by HEMAMCO COMPANY LIMITED that indicates their cybersecurity posture at the time of the assessment. Defense Cyber Security has not evaluated the adequacy or appropriateness of the Standard compiled by Saudi Aramco. Defense Cyber Security evaluation was limited to assessment against Saudi Aramco Third Party Cybersecurity Standard (SACS-002) and should not be relied upon as an assurance beyond the areas covered by this Standard. Defense Cyber Security shall not be liable for any loss, damages, costs or expenses directly or indirectly incurred by any third party, who may rely upon this certificate for whatsoever reason. This certificate is only for the purpose of meeting the requirements of Saudi Aramco and should not be published on any website or relied upon by anyone other than Saudi Aramco.

# Saudi Aramco Approval

أرامكو السعودية  
saudi aramco

Saudi Aramco E-Reference No. 0011163

## Registration Approval Letter

October 23, 2024

**Attention : HEMAMCO COMPANY LIMITED**

**CR Number : 2050099144**

**Supplier Type: Service Provider Only**

**Country : Saudi Arabia**

We are pleased to inform you that HEMAMCO COMPANY LIMITED is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10058269, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to [portal-registration@aramco.com](mailto:portal-registration@aramco.com). The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to [SupplierHelpDesk@aramco.com](mailto:SupplierHelpDesk@aramco.com) or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Faisal Hamad Al Dossary, Supervisor  
**Supplier Registration Unit**  
**Supplier Relationship Management Div**

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (9COMs and 9CATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at [supplierhelpdesk@aramco.com](mailto:supplierhelpdesk@aramco.com)

# HSE POLICY STATEMENT

Hemamco Company Limited is committed to providing a safe and healthy workplace for all its employees and contractors.

Hemamco Company Limited Believes that all injuries are preventable and that excellence in health and safety is the key to our long-term success.

Hemamco Company Limited is committed to compliance with all governmental agencies, regulations, and industry best practices and will use audits to measure, share and improve our health and safety programs.

Safety meetings shall be held on site at least weekly and shall be conducted by your Supervisor, Foreman or Safety Engineer. Meetings are arranged to provide you with safety information regarding your particular work tasks. All employees shall actively participate in Daily Tool-box Meetings and raise any relevant questions about health and safety issues and concerns. These meetings are solely intended for safety matters and will not be used to discuss other work problems or general grievances. The system of communicating Health and Safety issues and concerns is for the benefit of everyone and management encourage you to use it.

In the event of a serious accident on site, where you are not directly involved in assisting the injured, or in the rescue team, it is essential that you keep clear of the accident area and access routes to enable essential personnel to reach the injured as soon as possible. You must obey all instructions from your Supervisor, Safety Officer or Client Representative and avoid the temptation to become an unwanted sightseer or Additional Casualty.

Hemamco Company Limited will hold all employees and contractors accountable for following safe work procedures and reporting unsafe acts and safety incidents. We will ensure timely follow-up to safety incidents. Workers have general responsibilities for their own health and safety and that of other persons. In addition, they have the responsibility to refuse unsafe work. Discriminatory action will not be taken against them for refusing to do unsafe work.

Employees from every area of the company, regardless of position, will be encouraged to contribute to the company health and safety program.

Hemamco Company Limited encourages the involvement of all workers in the development of the program. We will provide support and promote the program to ensure that safety has the overriding priority.

Employee cooperation and compliance with the health and safety program at Hemamco Company Limited is a condition of employment.

HEMAMCO MANAGEMENT

## OUR VISION

To be recognized as one of the leading Engineering and construction company international eventually in the country by delivering a high quality, safety & Cost effective engineering services that meets the local & international standards. Believing on the fact that "Survival is for the fittest" the management has the determination to achieve the success with short term and long term plan. Dynamics of operation is set and the TARGET fixed. The aim and objective is to build this company to be a leading one by executing major projects independently with good reputation and appreciation of clients.

We pray to GOD and shall work hard with honestly and dedication to the best professional ability to meet the desired success.

Your Truly,

AHMED MOHAMED SALEH AL-GREA  
General Manager
